

Dreyfus' Own Story.

A powerful chapter from one of the most remarkable of recorded human experiences, appears in McClure's Magazine for May—Capt. Alfred Dreyfus' Own Story of his arrest, degradation and transportation to Devil's Isle. To this story is added a portion of the diary kept by Dreyfus on the island, for his wife, and referred to so often and so mysteriously in the Rennes trial, but never made public. The book from which this remarkable document is taken, containing the story of Dreyfus' entire five years of suffering and imprisonment, is to be published by McClure, Phillips & Co.

OVER THE LINE.

Procrastination is the Thief of Health.

Nature is a very wise and careful mother but she is dumb. She speaks by signs. The man or woman who does not heed her signs or fails to understand them must pay the penalty. Some day there will be a step over the line beyond which Nature's warnings cease and her penalties begin. For instance there is a man who for years never knew he had a stomach, it performed its work so perfectly. Some day after eating he has a little sour or bitter rising in the throat. He does not heed it. Later he feels an uncomfortable fullness after eating, a distress in the region of the stomach and perhaps he is uncomfortable enough to wonder whether he ought not to "do something" for himself. But he does not get any farther than

wondering. He becomes sleepless, loses flesh, and has other warnings of the development of disease but he still tries to work. Some day he collapses, drops down perhaps at his task and when he comes to himself in bed he is seriously ill. He is paying the penalty for his heedlessness of Nature's warnings. Whenever there are undue fullness after eating, sour or bitter eructations, belchings, and kindred symptoms it is the sign that disease is fastening on the stomach and digestive and nutritive tracts. Disease unless checked is always progressive, and it is only a question of time in such cases, when the health and strength will be seriously undermined.

TAKE NO RISKS.

The wise man or woman will take no risks but will attend to the first symptoms of disease of the stomach. Doctor Pierce's Golden Medical Discovery which has cured thousands of people who were suffering from the most aggravated forms of disease of the stomach and its allied organs of digestion and nutrition may be relied on quickly and permanently to cure such diseases in their earlier stages. Its action is prompt and efficient. Its effects are lasting. The whole body being fully nourished is built up with sound flesh, not with flabby fat.

"For about two years I suffered from a very obstinate case of dyspepsia," writes R. E. Secord, Esq., of 13 Eastern Ave., Toronto, Ontario. "I tried a great number of remedies without success. I finally lost faith in them all. I was so far gone that I could not bear any solid food on my stomach for a long time; felt melancholy and depressed. Could not sleep nor follow my occupation (tin-smith). Some four years ago a friend recommended your 'Golden Medical Discovery.' After a week's treatment I had derived so much benefit that I continued the medicine. I have taken three bottles and am convinced it has in my case accomplished a permanent cure. I can conscientiously recommend it to the thousands of dyspeptics throughout the land."
